

SA OUTDOORS COLOURS SCHEME 2017

The colours scheme is to give archers a structured development to their ability to shoot over longer distances. I.e. demonstrate ability over one distance before attempting the next longer distance.

When an archer is attempting a distance that is well beyond their capability, a lot of time is wasted looking for arrows in the grass.

To earn a colour, the archer must achieve **TWO** scores as indicated on the table. As a recognition of achieving the colour, the archer is presented with the appropriate colour cord. The previous cord must be handed back.

Note that there are separate cords for each bow type. They are distinguished as follows :-

Longbow	White end
Compound	Black end
Recurve	Red end
(Indoors striped (yellow/green))	

It is a requirement that an archer must have a cord for a shorter distance before attempting to shoot at the next longer distance. (Except for Purple which can be shot without a Gold chord)

All new archers must start at the shortest i.e. White cord.

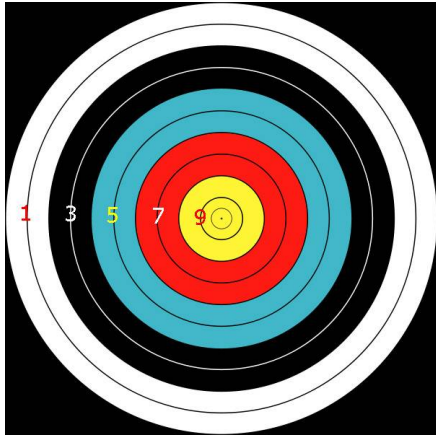

You must hand all scores to the records officer, **EVEN IF** scores do not achieve the requirement. Because all scores contribute to your handicap and classification!

The Records Officer will be aware when you have the two required scores and will pass the details to the Cord Administrator.

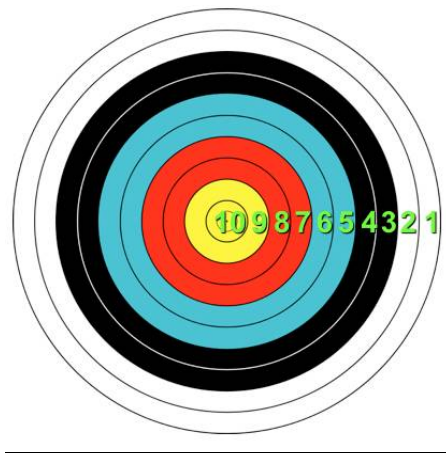

The rounds are as follows (Rev 1.0)

Cord	Round	Distance	Face cm	Doz	Zone *	Ladies			Gents		
						Rec	Comp	Long	Rec	Comp	Long
White	Short Junior Warwick	30 + 20 yds	122	2 + 2	5	258	315	170	307	340	200
Black	Junior Warwick	40 + 30 yds	122	2 + 2	5	252	311	159	304	337	191
Blue	Short Warwick	50 + 40 yds	122	2 + 2	5	269	324	177	317	348	209
Red	Warwick	60 + 50 yds	122	2 + 2	5	297	344	190	333	382	222
Gold	Short Metric	50 + 30 M	80	3 + 3	10	535	589	389	568	628	428
Purple	WA 70m	70 M	122	6	10	550	613	374	581	676	422

SA OUTDOORS COLOURS SCHEME 2017

Some rounds are 5 zone
i.e. 9, 7, 5, 3, 1 working
outwards from the gold.

Some rounds are 10
zone i.e.
10,9,8,7,6,5,4,3,2,1
working outwards from
the centre gold.

Frequently Asked Questions

[The White and Black rounds are 'Junior'. Are they for Juniors only?](#)

No, they are just the names of the rounds. New archers, Senior and Junior, must start with the White cord.

[What does 30+20 mean?](#)

All rounds but the WA 70 round are shot over two distances and these are the two distances in yards or metres e.g. 30 yds and 20 yds for the White cord.

[What if I fail to achieve the required score?](#)

All scores must be handed to the Records Officer as they all contribute to handicap and classification. He will note when you have achieved the two scores required for the cord and will alert the Cord Administrator.

SA OUTDOORS COLOURS SCHEME 2017

[Do I have to use the prescribed score sheet?](#)

No, you can score on any sheet, iPad, iPhone, iArcher ... etc. and then submit your score via iArcher or the website form.

[What do I do with the score sheet if the Records Officer is not available?](#)

You can scan/photo it and email to records@staffordarchers.com or preferably submit your score via the website form.
